Civil Action No.: 5:19-cv-00021

FISHER AUTO PARTS, INC.’S INITIAL DEPOSITION DESIGNATIONS

Defendant and Counterclaim Plaintiff Fisher Auto Parts, Inc. (“Fisher”), under Federal Rule of Civil Procedure 26(a)(3)(A)(ii) and Paragraph 27 of the operative Scheduling Order (Dkt. No. 227), submits the following deposition designations of testimony that it may use at trial, including during Fisher’s case-in-chief.

Further, Fisher reserves the right to use any deposition testimony provided in this case—whether or not designated below—for purposes of impeachment, refreshment of recollection, or other permissible evidentiary purposes, at trial. Fisher also reserves the right to add to or delete from any of the following designations depending on the Court’s rulings on all pending Motions, or to ensure completeness or streamline testimony, in which case Fisher would promptly provide amended or supplemental designations. In addition, Fisher reserves the right to present corresponding deposition exhibits to the jury during the presentation of designated deposition testimony. Fisher further reserves the right to call live at trial any of the witnesses for whom Fisher has submitted deposition designations below. Finally, Fisher expressly reserves all objections it made on the record at the subject depositions.

To the extent that any portion of the deposition transcript is read to the jury, Fisher objects to reading any commentary, lawyer testimony, objections, or other argumentative statements that may be included within the deposition designations.
